| SCN                                                                                 | Rock Quality Designation (RQD)          |
| A/R                                                                                 | Air Refusal                             |

[illegible]

**NOTES**

- 1) The boundaries between soil strata have been established only at borehole locations. Between boreholes the boundaries are assumed from geological evidence.
- 2) This drawing is for subsurface information only. Surface details and features are for conceptual illustration.
- 3) Coordinate system is NED
